

Sprint 4 ▾

ACTIVE Analytics for students and teacher dashboards and bugs

Details [View linked pages](#)

Started: 07/Nov/21 10:05 AM by [David Petrov](#) (planned - 05/Nov/21 12:00 AM)

Ended: (planned - 19/Nov/21 12:00 AM)

The velocity of this sprint is rather normal. We all delayed our tasks by a week because of other responsibilities. After that, we all worked together to ensure that we finished our tasks in a timely manner.

This sprint is much improved over last sprint as we had very little story points remaining and worked together to ensure we finished in a timely manner.
